Here at Dondero 1 year of math is required to graduate. Most incoming Freshman choose from General Math, Extended Algebra or regular Algebra. Then Advancing to Geomerty or Computer Science.

"READ THE FUTURE FROM THE PAST"

The Social Studies Department is offering a great variety of classes from history to the realm of psychology. Dondero has many history classes which include World History 1, 2, and 3; United States 20th Century; US to 1877; and US Military. Other Social Studies classes include; Sociology, Psychology, Model Government, World Geography, Advanced Placement History, and many others. Again this year the Science Department is striving to teach the students new and interesting things. Although we have a small Science Department, what they lack in number is well made up for by the quality and experience in their teaching. Some of the classes offered in this year's curriculum are Life Science, Biology, Chemistry, Honors Senior Science, and Astronomy.

The Home Economics Department is offering many classes, from Basic Foods to Child Development. All of these classes give both information and experience for the future. Department head Mrs. Murphy is constantly on the go, running between classes.

In addition to *Genesis,* the Creative Writing Class also publishes a magazine called "REVELATIONS", which contains work done by the Imaginative Writing Class only.

The Junior Varsity finished second of the 11 teams competing in the league. Junior Varsity senior Chris Dunne, placed in the individual standings. His partner Doug Hillyard, the most improved J.V. speaker.

In the Varsity Division, Dondero finished the season with a 13-9 record. Bob McClory was awarded the top school speaker trophy. The most Valuable Debator Award went this year to senior Chris Dunne.

English may be taught in different ways but the idea is basically the same. It is to teach the students to be able to work and mold ideas into written or verbal forms of communication.

Dondero offers many ways for students to express themselves beyond the classroom. There are many clubs for English minded students to participate in . . . Speech Club, Creative Writing Club, Forensics, Debate, and many others.

SCIENCE CLASSES

This year began a new requirement for graduation starting from the class of 1983 and on: One must have at least one science credit. This goes to show just how important the science field has become to everyday life. A new program has been started in the elementary school stages also: Science Curricular Implicative Study (SCIS). DONDERO HIGH SCHOOL

The Dondero Marching Band once again came through with an excellent show. This year they performed such melodies as "Superman," "I Got Rythmn," "Rumanian Rhapsody No. 1," "Parade of the Wooden Soldiers," and "What I did for Love." The band under the direction of Mr. Richard Perkins and Mr. Donald Winter, also competed in three competitions this season. Fourteen of the band members will be graduating including our Drum Major Rick Stafford.

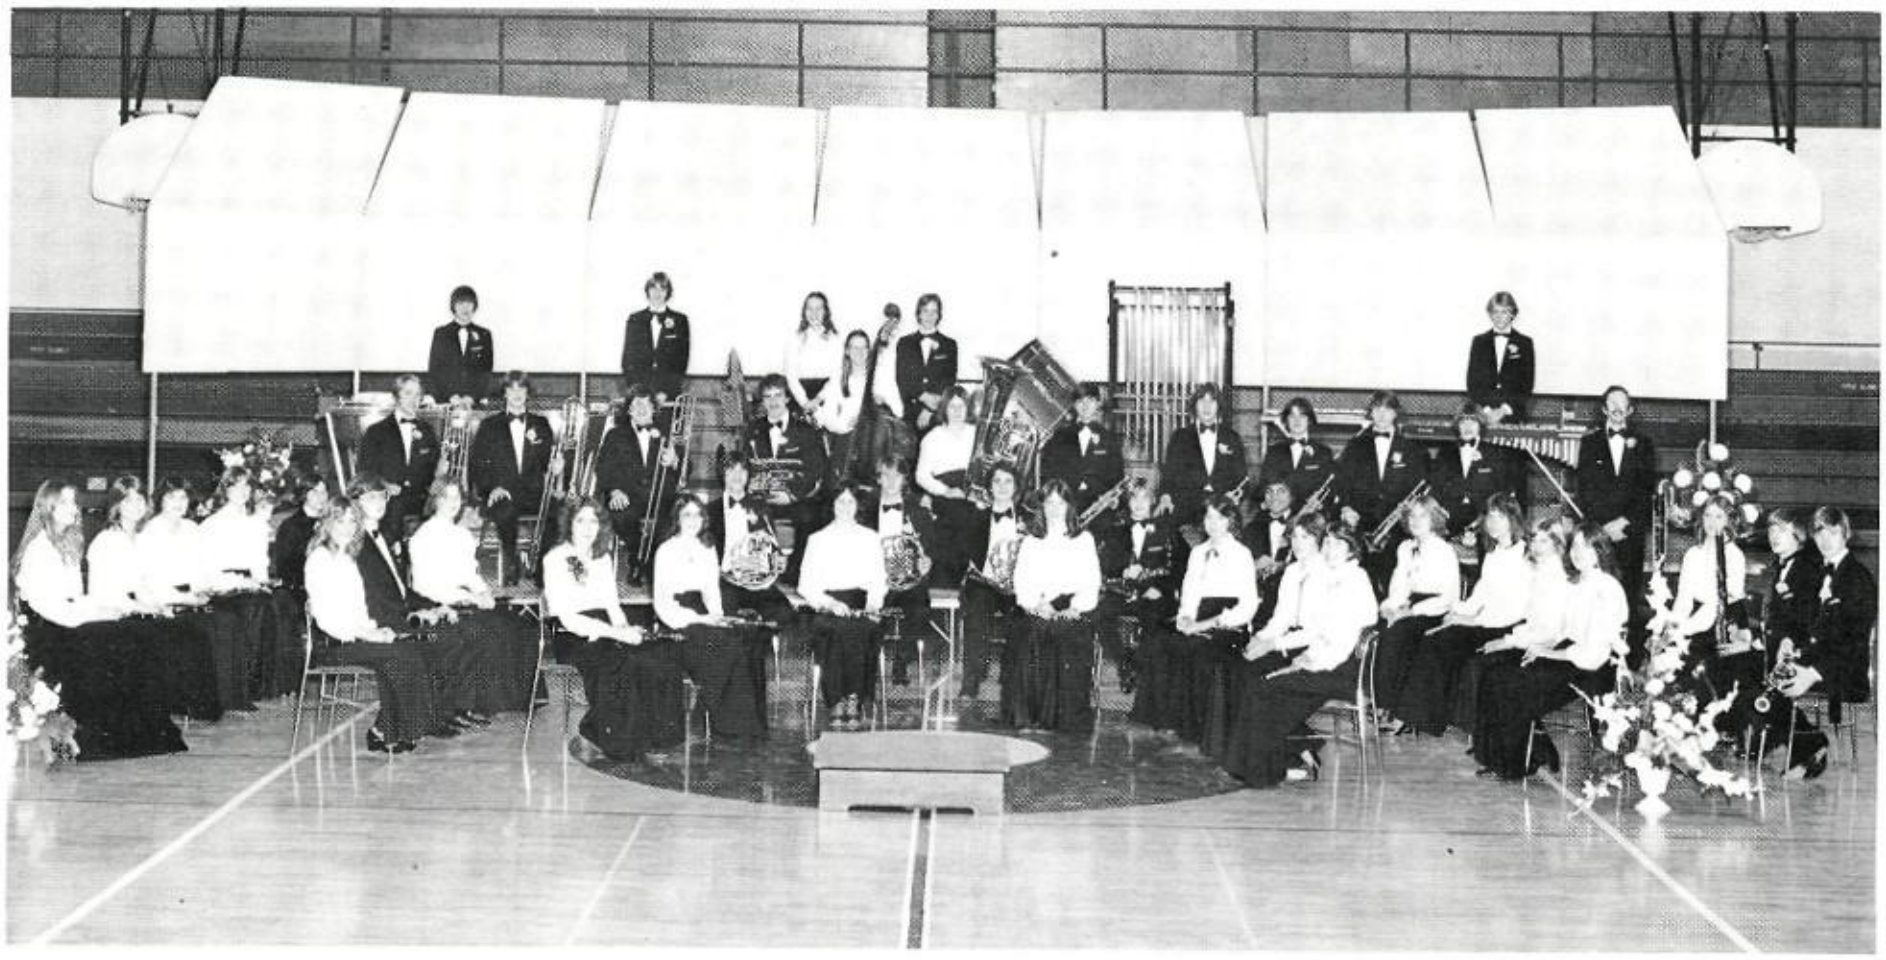
SYMPHONY BAND PERFORMS



Presenting the Dondero Symphony Band!

After marching season was over, the Symphony Band settled down for concert season.

Because of the renovation project their Winter concert was held in the gym together with Concert Band. Fortunately the auditorium was completed in time for the Spring concert. Excellent performances were given at both concerts by the hard working musicians.

Their busy schedule also included competing in the District Festival and Solo and Ensemble.

Tim Barret and "76 Trombones."

A SUCCESSFUL SEASON

Director Mr. Richard Perkins.

A glance at the Winter Concert performance.

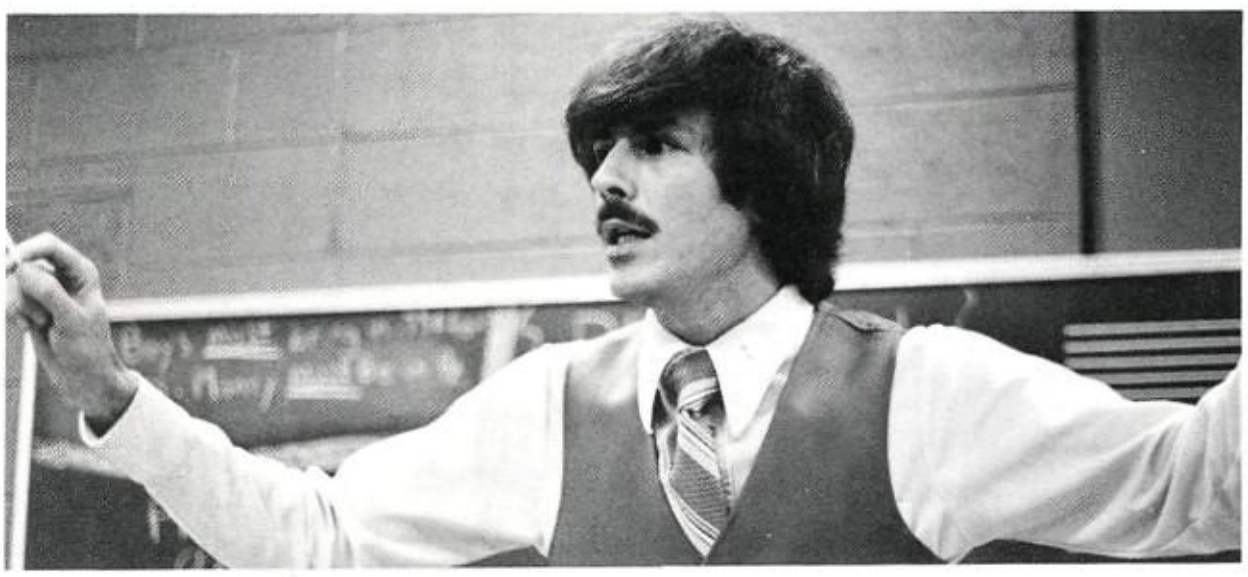
Mary Ponsart gives intense concentration, but to what?

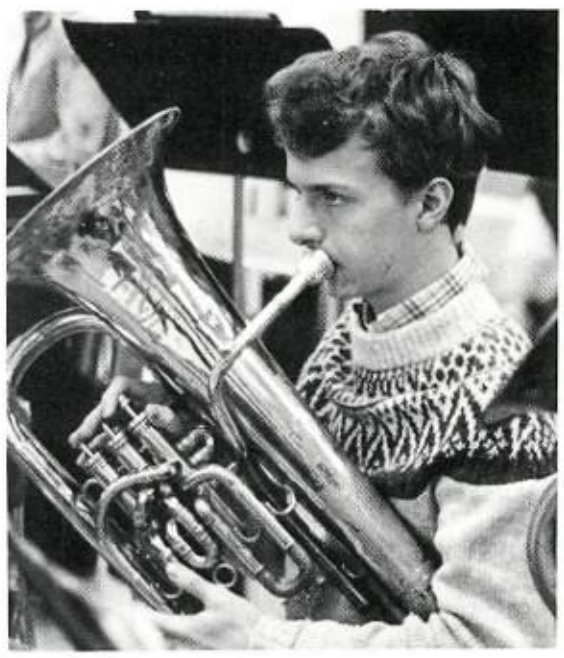
CONCERT BAND ... THE ULTIMATE CONCERT BAND

Concert Band, music at its best.

Brass has class!



Mr. Winter patiently waits for everyone's attention.



Tim Carrico, a master at his work and a famous Black Beret.

Chris Bodendorfer ... a true professional.

Beth Kanner can't figure out what to do she's swallowed her last reed.

John Seyfarth busily plays his trumpet while his stand partner listens.

The powerful clarinet section eyes Mr. Winter's direction.

The unknown drummer watches from his ready position.

Kelly Morris gets into her music.

Mike Lage strides for perfection.

Bob Taylor doesn't seem to be interested in Paul Schroff's trumpet playing.

Kathy Sochowicz and Lisa Tyrrel play their flutes.

Musically, this has been a great year for the Concert Band. Despite the traveling back and forth from Keller Junior High to Dondero, their Winter Concert turned out to be a great success. The cooperation of the students and Mr. Winter, the director, was what made their successful performance possible.

Now that the band room is finished, the trouble that the students had to go through seems to have been well worth the wait.

New faces of Freshman Choir.

Freshman Choir prepare for their first concert.

"Whistle while you work!" Mr. Hartsoe.

Because of the construction at Dondero, the choirs have been inconvenienced by the "shifting around" that had to be done during the months of September through December. Due to the loss of time spent on traveling back and forth from the Baptist Church on Main St. to Dondero, less music had to be performed in the Winter Concert. Also, the Pop Concert had to be rescheduled because of the extention of the date of the auditorium.

Basically, the choir members agree that the wait for the choir room was worth it, especially acustically. The auditorium should also be worth the wait. One asset is that the choirs will have access to a new and better sound system. Despite of all the problems due to the construction, the Winter Concert under the direction of Mr. Hartsoe was a pure success.

The Dondero Orchestra had many changes this year. They moved into a new room and performed a successful Winter Concert in the First Congregational Church as a result of the renovation project. Their Spring Concert was performed in the new auditorium, and proved to be a musically enriching experience for its listeners.

A CAPPELLA IS CREAME OF THE CROP

The A Cappella Choir has gone through many changes this year. The choir has moved from Barton to the First Baptist Church to finally here at Dondero.

Due to the incompletion of the auditorium, their traditional Pop Concert was posponed to a later date and therefore could not be published in this yearbook.

Even though the choir had been moved around, the high quality is still heard by the 65 voices.

WHERE YOU LEAD, WE WILL FOLLOW . . .

The Class of 1980 should be thankful for the great job done by this year's Senior class representatives, Howard Matthews, President, Steve Cocoli, Vice-President, Julie Rennie, Secretary, and Tina King, Treasurer. We would also like to thank Mr. Pisko for his great job of advising.

This year the officers sponsored two Junior-Senior Mixers, which were a great success. They also sold T-shirts, and they worked at the concession stand during the football games. The exciting Senior Trip also goes to the organizing of the officers, also the Mock Elections, and Homecoming.

The class of 1980 sincerely thanks Howard, Steve, Julie, and Tina for a great job we will never forget. Thanks!

HOMECOMING . . . 1980!

Homecoming couldn't have been more exciting or memorable this year.

The first event to officially start homecoming was the parade, winding through downtown Royal Oak. Behind the marching band trailed cheerleaders, three floats (the freshman didn't enter one), the homecoming court, and clowns.

Next, the unbeaten Oaks defeated unbeaten Lahser, 7-0, in one of the best and toughest games of the season.

Overall, Homecoming was a great success, and a surprising and enjoyable night for everyone.

The Class of '80 Homecoming Court: Brian Mitchell, Sharon Wilusz, Fred Crawford, Tina King, Queen-Sally Wentzel, King-Joe Duffey, Linda Storey, Doug Smith, Julie Rennie, and Andy Stark.

Our reigning King and Queen- Joe Duffey and Shelly Wentzel.

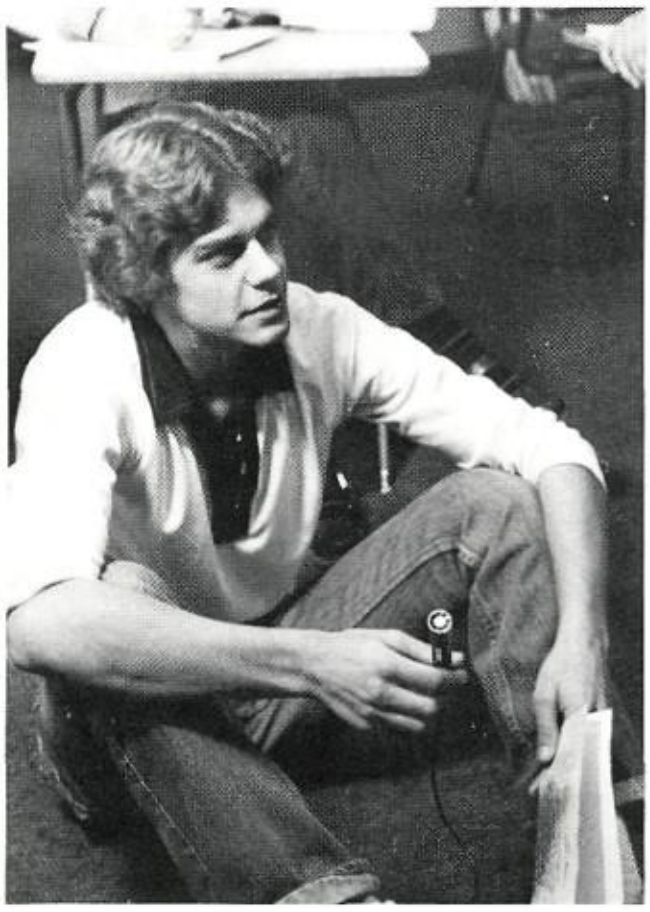
The cold doesn't get Sharon Wilusz down.

Last years' Queen, Lori Lampman, crowns a new Queen.

Tina King steps out in style.

Last year's King and Queen, Lori Lampman and Dennis Murphy enjoy the last moment of their royalty.

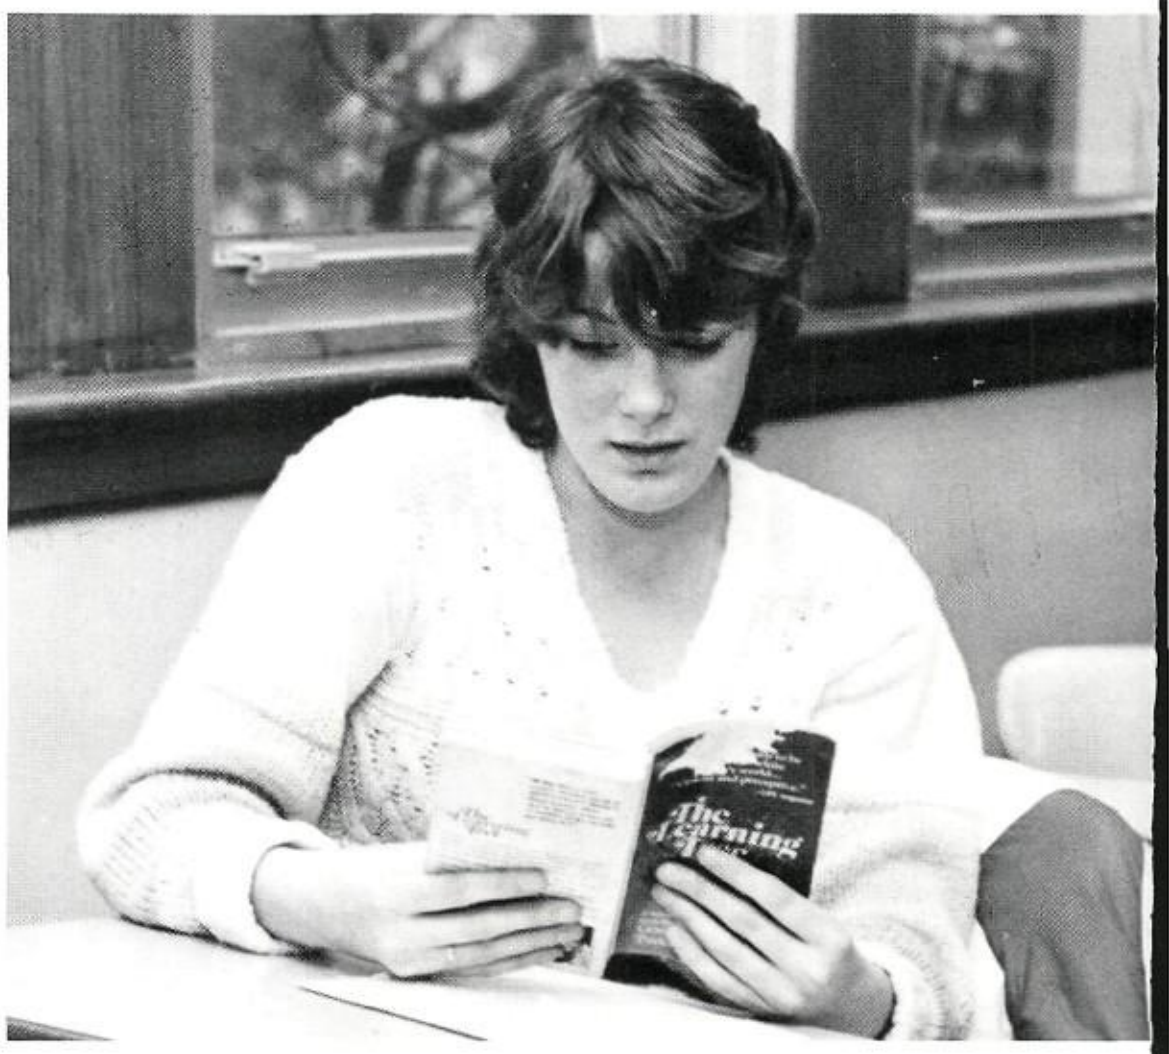
We were "glad" for 2nd place.



Greg Mannino prefers floors.

Ann LeMeasure shows Sue Adams how to play dots.

Kent Kochendorfer demonstrates chin propping.

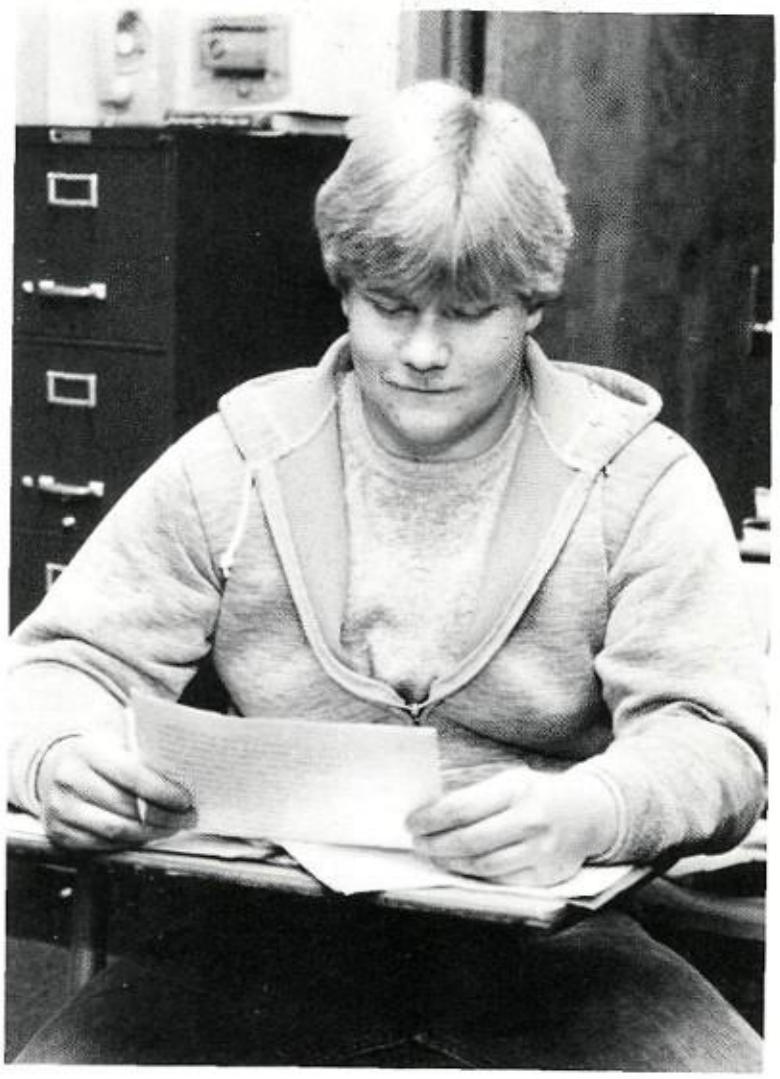


Cindy Irwin learns to like The Learning Tree.

Kurt Ostrow, Brian Quartes, and Dave Riley get crazy.

What's holding Tammy Thompson's attention?

Deirdre Honner and Cheryl Furlong hold an interesting conversation.



With that look, John Lemay could be reading anything.

SENIORS '79- DANCE THE NIGHT AWAY

Last years Senior Prom was held at the Hillcrest Country Club, where in previous years it had been held at the Royalty House in Warren. The Hillcrest has been chosen again for this years' prom. 220 enjoyed good food, and dancing complemented by good music. Unfortunately, the band that had orginally been scheduled split up, and the Class Officers had difficulty finding another one at such late notice, but the new band worked out well.

The night of the Prom was very hot, humid, and rainy (not to mention the broken down air conditioning.) However, everyone had a good time. It was a great ending to the finish of a fantastic Senior Year.

For Them

We leave behind

A token of ourselves...

Names engraved upon desks,

Scribbles on the wall,

or maybe only memories,

For that was all

We'd part with

at the time.
